Seminar on Career Guidance

Date: 07th Oct 2022

Description:

A seminar on career guidance is an event designed to provide information and advice to students who are seeking guidance on their career path. The seminar typically involves presentations by experts in various fields, as well as interactive sessions where participants can ask questions and receive feedback on their career goals.

Guest Lecture on Digital Marketing

Date: 03th Nov 2022

Description: A guest lecture on digital marketing is an educational event that provides participants with knowledge and skills related to various aspects of digital marketing.

Digital marketing refers to the use of digital channels and technologies to promote products, services, or brands and reach a targeted audience.

Seminar on Full Stack Web Development

Date: 05th April 2023

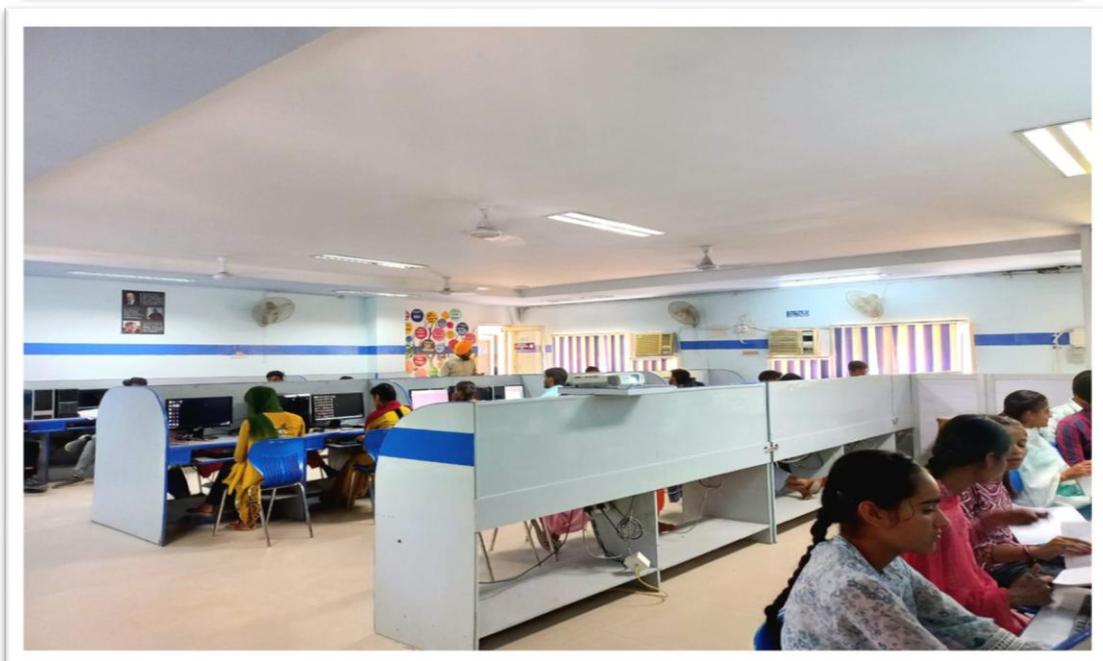

Description:

A seminar on full stack web development is an event designed to provide students with an overview of the various technologies and skills required to develop and deploy a complete web application. The seminar typically involves presentations by experts in the field of web development, as well as interactive sessions where participants can ask questions and receive feedback on their learning.

Brochure:

The brochure features a blue and yellow color scheme. At the top, it reads "SEMINAR ON FULL STACK WEB DEVELOPMENT" in white and yellow text. Below this, it states "10:00 AM". The main text includes: "Keynote Speaker: Asst. Prof. Manwinder Singh", "Date: 05th April 2023", "Venue: Lab No. 3", and "Organized By: Department of Computer Science, Guru Nanak College Budhlada". A circular inset image shows three people (two men and one woman) looking at a laptop. The brochure also features a grid of yellow dots in the top right corner and three yellow circles at the bottom.
