DEPARTMENT OF ENGLISH
A Visit to Social Place

Name of Activity : **Visit to Gurudwara by Literati Club Students**

Date : **29 September 2022**

Venue : **Budhlada**

Organized by : **Department of English**

Name of Faculty : **English Department**

Participated by : **PG Students of English**

Objective : To celebrate “International Day of Peace” on 29th September, 2022, Department of English in collaboration with Literati Club organized a special visit to Gurudwara sahib Pahan Sahib Sachi Manji, Saidewal Dist. Mansa where 38 students along with their teachers went to get peace of mind.

Outcome of Activity : A visit to Gurudwara Sahib can have a profound impact, fostering spiritual reflection, community connection, and a sense of equality. The experience often includes participation in prayer, langar (community kitchen), and witnessing selfless service, promoting a deeper understanding of Sikh values and principles. Additionally, visiting Gurudwara Sahib provides an opportunity for cultural immersion, learning about Sikh traditions, music, and history. It can inspire a sense of humility and compassion through the practice of seva (selfless service) and the inclusive atmosphere that welcomes people of all backgrounds. Overall, the impact extends beyond religious aspects, influencing personal growth and a broader perspective on humanity.

A Visit to Social Place

Place of Visit: Pingalwara Visit, Budhlada

Date of Visit: 20/08/2022

Objective of Visit:

The students interacted and interfaced with physically challenged children and old aged people and distributed eatable items amongst them. Students were highly enthralled to visit the destined premises to learn that CSR helps pave the way for partnerships between institutes and civil society that are based on common goals and shared actions to deliver impact-driven outcomes.

Outcome of the Activity:

Students highly appreciated the initiative of the management of the Institute and faculty to provide such an educative opportunity to them. After the visit the students expressed their satisfaction that they have served the needy persons staying in Pingalwara and took a pledge that they would continue to do such activities in the times to come.

CULTURAL TOUR

Place of Visit: Amritsar

Date of Visit: 8 April, 2023

The Context of Visit:

The Department of Science has organized an enriching cultural tour to Amritsar, immersing students in the vibrant tapestry of Punjab's heritage. The journey commenced with a visit to the iconic Golden Temple, where the serene surroundings and sacred ambiance left an indelible impression on everyone. Exploring the Jallianwala Bagh, we delved into the pages of history, feeling the solemnity of the tragic events that unfolded there. The Wagah Border ceremony, showcasing the patriotic fervor, added a patriotic touch to our cultural odyssey. Sampling local delicacies, participating in traditional dances, and engaging with the warm-hearted locals further enriched our understanding of Amritsar's cultural fabric. This educational excursion not only broadened our perspectives but also fostered camaraderie among the participants, making it a memorable experience for all.

Outcome of the Activity: The cultural tour organized to Amritsar by our college had a profound impact on the participants, fostering a deeper appreciation for the rich cultural tapestry of India. The visit to the Golden Temple was a spiritual experience, allowing students to witness the harmonious blend of Sikh traditions and architectural grandeur. Exploring the historical Jallianwala Bagh evoked a sense of national pride and remembrance. Interactions with local artisans and traditional performances provided insights into the vibrant arts and crafts of the region. This cultural immersion not only broadened horizons but also promoted cross-cultural understanding among students, creating lasting memories and instilling a sense of cultural responsibility.

Industrial Visit: VERBIO India Pvt. Ltd., Bhathal Kalan, Lehragaga

Date: 27/03/2024

No. of Students: 55

Description: Workshop on Waste management
(Resource Persons (02))

1. Er Atul Arora (Production Manager, VERBIO India Pvt. Ltd. , Bhathal Kalan, Lehragaga)
2. Balwinder Singh (VERBIO India Pvt. Ltd. , Bhathal Kalan, Lehragaga)

VERBIO India Pvt. Ltd. started producing compressed biogas (CBG /Bio CNG) from agricultural residues, primarily paddy stubble normally burnt by farmers after the paddy harvest. This is the first, largest and only plant of its kind in India, as well as in Asia. It will consume 100,000 tonnes of agricultural residues per year, and will have a production capacity of 33 TPD (tonnes per day) of BioCNG (CBG) and 650 TPD (tonnes per day) of bio-manure.

It was built over the last three years, and now supplies Bio CNG into the retail network of the Indian Oil Corp. Ltd. (IOCL) for automotive application in the Punjab region.

At the official Grand Opening Ceremonies held in Chandigarh and at the plant site in Lehragaga (Punjab) last week, Claus Sauter, VERBIO AG's Founder and CEO, stated: "In India we are entering a growth market for renewable energy with very large potential."

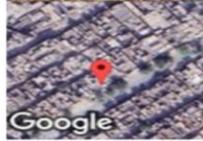

This facility provides:

1. A significant relief in air pollution due to reduced stubble burning within a radius of at least 10 kilometres
2. Large savings for farmers as the entire stubble collection is conducted at no cost to them
the creation of jobs and economic development for rural communities
3. The realistic prospect of improving soil health with the introduction of bio-manure, and climate-friendly and cost-effective fuel for automotive, industrial and commercial consumers.

| Say No to Single Use Plastic | 15/03/2024 | Department of Science | 42 Students and 5 faculty members Total = 47 | 42 |

Description: On March 15, 2024, Guru Nanak College Budhlada campus hosted a campaign advocating for the elimination of single-use plastic, drawing participation from 42 dedicated individuals. The event was aimed at raising awareness about the detrimental effects of single-use plastics on the environment and human health. Participants actively pledged to reduce their usage of plastic items, opting for eco-friendly alternatives and advocating for sustainable practices in their communities. The impact of this activity was profound, sparking a ripple effect of change as participants shared Their newfound knowledge and commitment with their peers, families, and social networks. The campaign not only fostered a sense of responsibility towards the planet but also empowered individuals to take tangible steps towards a greener future. Through collaborative efforts and collective action, Guru Nanak College Budhlada campus emerged as a beacon of environmental stewardship, inspiring others to join the movement and collectively say no to single-use plastics. The success of this campaign underscores the power of education and grassroots activism in addressing pressing environmental challenges and fostering a culture of sustainability.

Although the Indian government has imposed a ban on the usage of plastic bags in many states. But people are still carrying these bags. Shopkeepers stop providing plastic bags for few days only in the beginning. It is time when we all must contribute our bit to make this ban a success. Thus we the educated lot of society must take it as our responsibility to stop using plastic bags. In this way, we can support the government in this campaign.

There are numerous reasons why the government of various countries has come up with strict measures to limit the use of plastic bags. Some of these include:

- Waste plastic bags are polluting the land and water immensely.
- Plastic bags have become a threat to the life of animals living on earth as well as in water.
- Chemicals released by waste plastic bags enter the soil and make it infertile.
- Plastic bags are having a negative impact on human health.
- Plastic bags lead to the drainage problem.
- Public Support for Plastic Bag Ban

DEPARTMENT OF ENGLISH

Activity Type: Educational Tour

Activity Name : An Education Visit to Book Fair (Punjabi University Patiala)

Date: 2 February 2024

Venue : Punjabi University Patiala

Organized by : Department of English

Name of Faculty: Department of English

Participated by: UG Students of English

Objectives: An Education Visit was organised by department of English to 'Book Fair' at 'Punjabi University Patiala' on 2nd February 2024. Students from PG English went there along with department faculty members.

Impact: A book fair has a profound impact on individuals, especially children, fostering a love for reading and learning. It exposes visitors to diverse genres, authors, and topics, broadening their perspectives and sparking curiosity. By providing access to a wide range of books, a book fair encourages reading habits, improves literacy, and develops critical thinking skills. It also offers a platform for authors and publishers to showcase their work, promoting literary awareness and appreciation.

Activity: Awareness Drive on paddy burning

Date: 23 November 2023

Description:

The Department of Computer Science organized a seminar on awareness drive on paddy burning on 23 November 2023. The awareness drive featured AP Manwinder Singh as the keynote speaker. **Stubble burning awareness** is crucial in addressing the harmful environmental and health impacts caused by the practice of burning crop residues. Raising awareness can help encourage farmers, policymakers, and communities to adopt sustainable alternatives, thereby reducing the detrimental effects of stubble burning. Here are key points to consider for effective awareness campaigns

Name of Activity: Awareness Drive on "Digital India"

Date: 9 November, 2023

Objective: To provide knowledge on how to use digital devices and promote digital literacy.

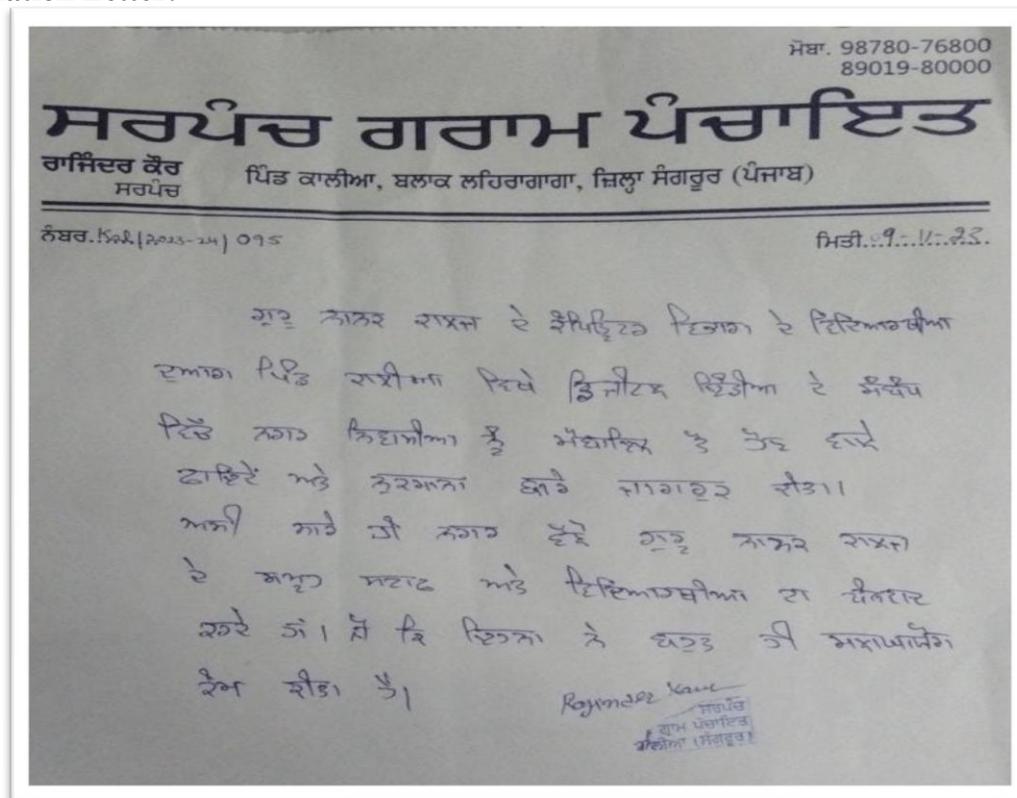

Description:

The Department of Computer Science organized an Awareness Drive on "Digital India" On 9th November 2023. The initiative was led by the Computer Science department students with the aim of educating the local village community on the importance of digital tools and technologies in today's world. The drive was designed to promote digital literacy and empower individuals to effectively use digital devices, services, and platforms for personal, professional, and community development.

The students conducted interactive sessions demonstrating how to access essential online services, use digital payment systems, and navigate various online platforms. They also educated the villagers on how to protect themselves from common cyber security threats, such as phishing, identity theft, and online scams, emphasizing safe and secure internet practices.

The awareness drive underscored the significance of digital inclusion, encouraging the villagers to take full advantage of the government's "Digital India" initiatives. It also focused on the role of digital technology in bridging gaps, enhancing communication, and fostering socio-economic development within rural communities.

Department of Commerce and Management

Place of Visit: Pingalwara Visit, Budhlada

Date of Visit: 01/03/2024

Objective of Visit: The students interacted and interfaced with physically challenged children and old aged people and distributed eatable items amongst them. Students were highly enthralled to visit the destined premises to learn that CSR helps pave the way for partnerships between institutes and civil society that are based on common goals and shared actions to deliver impact-driven outcomes.

Students highly appreciated the initiative of the management of the Institute and faculty to provide such an educative opportunity to them. After the visit the students expressed their satisfaction that they have served the needy persons staying in Pingalwara and took a pledge that they would continue to do such activities in the times to come.

List of teachers: Ramanjeet Kaur, Simranjeet Singh.

List of students: 33
